YOUR SAFETY IS IMPORTANT TO US

DIAL 911 IN CASE OF A MEDICAL EMERGENCY

If your phone becomes inoperable, there is a TracPhone in the parlor for emergency use. Every room is equipped with a basic First Aid kit in your closet.

IN CASE OF FIRE

There is a fire extinguisher in your closet. See map for the closest exit to your room. All guests must report to our emergency gathering location at the front parking lot area. If your room is upstairs, an emergency ladder is under the bed.

IN CASE OF TORNADO

Report to the basement of the building. Pass through French doors to the kitchen. Proceed down the stairs to the immediate right.

Note: Tornado Siren testing in our area occurs on the first Saturday of each month.

IN CASE OF POWER OUTAGE

Not to worry, Stag's Leap is equipped with a full-home generator, that automatically starts once electrical power is lost.
